Data portrait of Middlesbrough

A visual representation of how healthy we believe Middlesbrough's economy is

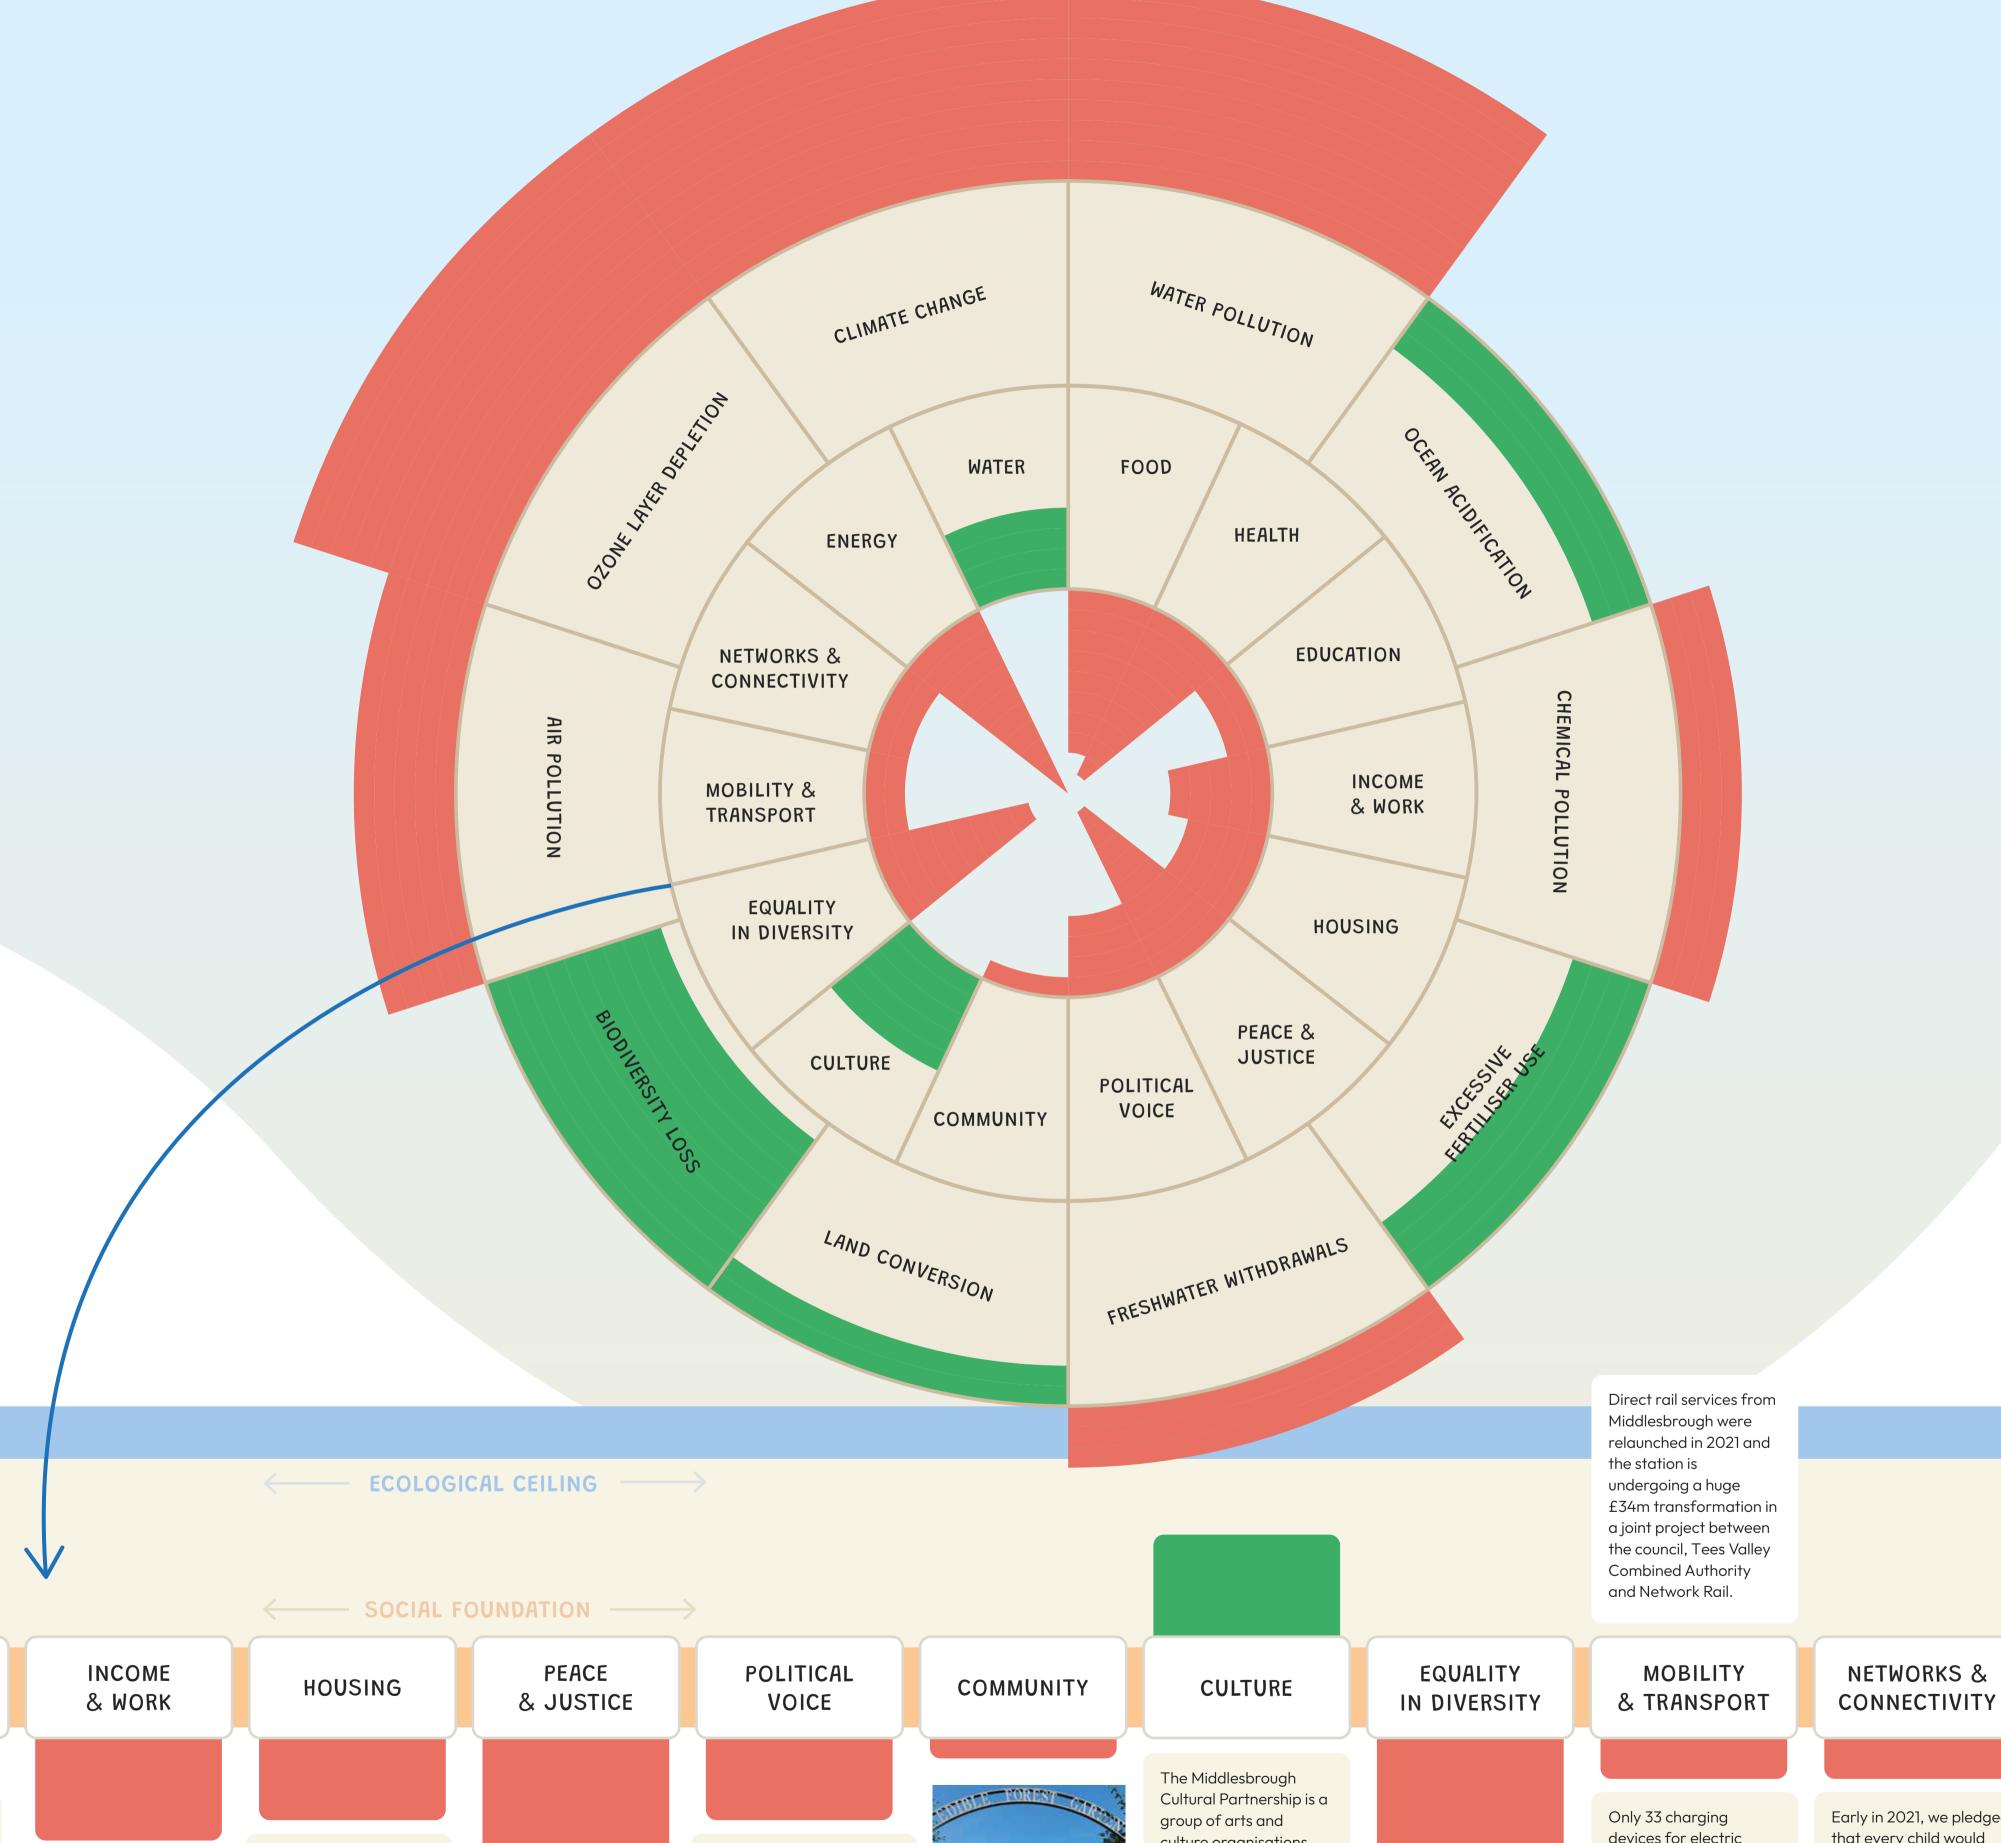

DOUGHNUT UNROLLED: SOCIAL FOUNDATION

Are the people of Middlesbrough living well?

Through research we are aiming to assess whether people of Middlesbrough have a safe life and thrive across areas like work, health and education but also community, political voice and culture.

We use 15 areas of social life, largely reflecting the United Nation's Sustainable Development Goals.

Let's see what we've found so far...

ENERGY

WATER

The UK Drinking Water Inspectorate has scored Middlesbrough water quality a 99.6% in overall zonal compliance, meaning that your water

16.6% of households in Middlesbrough are fuel poor (10,244 out of 61,626) one of

is safe to drink.

delivered 6,883 food bags (equivalent to around 55,000 meals) in 12 months. 22 Eco Shops the highest region in England. are now operating across the town, 13

school based and 8

community based.

Middlesbrough ranked

in the bottom 10% of

local authority areas

in England for health

in 2021.

The proportion of 15-year olds achieving

EDUCATION

five GCSEs with A*- C grades, whilst improving significantly, remains amongst the lower in the region.

Unemployment above national and regional average.

The town has a lower level of owner

occupation than local and national averages, with a higher level of social rented accommodation.

The 24.6% increase in crime in Middlesbrough between the years ending July 2021 and July 2022 is higher than the 1.1% increase seen in England. Middlesbrough is the 57st safest unitary authority (of 59 total) when ordered by crime growth rate.)

Middlesbrough voter turn-out below national average and regional average, but not among lowest 10 UK constituences

> By 2023 community perceptions of anti-social behaviour will be at their lowest level and better than the national average.

culture organisations from across the Tees Valley working together for a creative Middlesbrough, formed in 2018. In 2022, they promised to distribute £383.5 million to 282 organisations across the North over the next three years, ensuring that more people will be

able to enjoy art and

culture

In 2021/22, Cleveland Police statistics were the eighth highest in England and Wales for Hate Crime based on Race. Rate of 190 cases per 100,00 population.

devices for electric vehicles are available in Middlesbrough.

A third of people surveyed believe we should drive less.

Early in 2021, we pledged that every child would have access to an internet-enabled device to support their education. We spent £350,000 on laptops and tablets for more than 1,000 children who were at risk of being left behind in their schoolwork. We believe that Middlesbrough was

the first town or city in the

country to provide this

kind of support.
